About Us

Friendship Centres are a place of many types of gatherings for both Indigenous and Non-Indigenous people who are attempting to bridge the gap between two cultures.

The main objective for all Friendship Centres are to improve the quality of life for the Urban Indigenous people. The main target groups of each Friendship Centre is the Indigenous population, including all age groups.

Services provided:

Services are aimed at promoting the physical, emotional, spiritual, and cultural well being of all Indigenous people

Akwe:go Children's Program

Ages 7-12 Years

Programming:

One-to-One

Individual activities based on the client's needs and goals. Majority of programming will be one to one

Group Programming

Programming with other children in the program. Arts & crafts night, game night, healthy living etc.

Cultural Activites

Cultural based child development. Sharing circles, smudging, and introduction to cultural activities.

Our Program

The Akwe:go Children's Program has been specifically designed to provide a comprehensive program to Indigenous children between the ages of 7-12

Program Goal

To provide at-risk Indigenous children with supports, tools and healthy activities which will build upon and foster their inherent ability to make healthier choices.

Objectives

- Social Support
- Health & Physical Development
- Institutional Interventions
- Children in Care
- Violence Prevention Supports
